Welcome to KoolSink™ the ultimate laptop accessory

A Perfect match

The light weight anodized aluminum KoolSink® is perfectly matched to Apple's new line of Powerbooks, and for all laptops emitting high heat.

Less is More

Compare all of the KoolSink® competitors for yourself.

Fans waste power

Laptop users know that fans waste power and create distracting noise.

So how can the KoolSink™ help?

testimonials

I can't thank you enough for your website design. Had I known what a difference it would make to my business I'd have done ANYTHING to get to you sooner.

Greg Glassman
[\(www.crossfit.com\)](#)

I found your website clear, concise, informative, pleasing to the eye and easy to navigate.

Thanks.
 Shila (Canada, USA)
